Michigan15

This is the schedule for the DES 2015 Michigan Spring Meeting.

Pre-meeting(s): [DES outreach hack day](#) on May 10th (from 10am).

Science Working Group Chairs: Please edit this wiki to add in your Parallel sessions. Please create a new wiki page for your parallel session (see the example called TEST on Monday at 9am). On your parallel session's wiki page, please note whether it is a session in which you would encourage anyone to attend or whether it is a working meeting, mainly for WG members.

Dates approved by the MC: 11-15 May 2015

Information, registration, etc is [here](#)
Facebook Event is [here](#)
